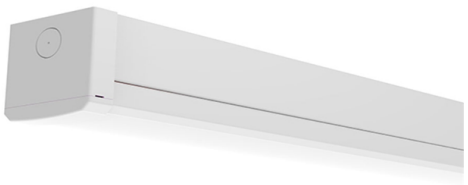
ECO LED Batten Gen4

The Pierlite Eco LED Batten Gen4 is a one box solution with Colour and Lumen select feature. The quick release clips, removable connector and sealed LED module makes it easy to install and maintain. With up to 110lm/W, the efficacy makes it an ideal replacement for traditional flourescent battens.



- Comes with an opalised diffuser for even light distribution
- Uses quick release clips and removable connectors for easy installation.
- Increased visual comfort with less than 1% flicker.
