

Hole enlarging adaptator

Benefits

- Compatible with all BIZLINE bi-metal HSS hole saws.

GENERAL INFORMATION

Description

The solution for enlarging existing holes by simultaneously mounting two hole saws on the chuck.

Instructions

- Remove the centering drill and mount the largest hole saw on the shaft.
Fit the BIZ 700 698 adapter in place of the centering drill bit.
Screw the corresponding size hole saw into the existing hole on the adapter.
