

## Product data sheet

### Characteristics

# 900/16/16-WE

## DUCT MINI PVC 16X16 RECT

### Main

|                  |                |
|------------------|----------------|
| Colour           | White electric |
| Product brand    | Clipsal        |
| Range of product | Series 900     |

### Complementary

|                      |                                         |
|----------------------|-----------------------------------------|
| Colour code          | WE                                      |
| Height               | 16 mm                                   |
| Width                | 16 mm                                   |
| Length               | 4000 mm                                 |
| Busbar cross section | 16 x 16 mm <sup>2</sup>                 |
| Material             | PVC (polyvinyl chloride)                |
| Fixing mode          | By screws<br>Double-sided adhesive tape |

### Packing Units

|                  |          |
|------------------|----------|
| Package 1 Weight | 0.533 kg |
|------------------|----------|

### Offer Sustainability

|                          |                                                                                                                                                                                      |
