S7070PVR

Dual Tuner Satellite Recorder

DISH·TV®

EPG · 1TB · REC² · Pause · Rewind · Wi-Fi

Description

The S7070PVR is a Freeview Approved Recorder, for use with your Satellite Dish. Watch great local, and international content across 20+ Channels nationwide, with Freeview. So that no matter where you are, you can enjoy quality TV and Radio.

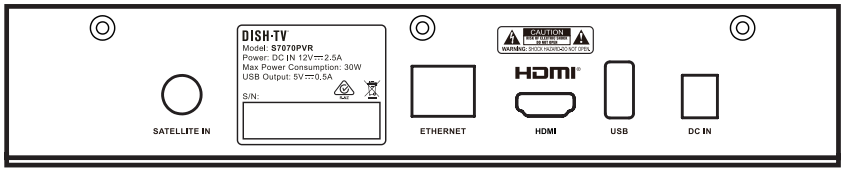

Simple Setup

It can't get any easier than this! Simply connect the S7070PVR to your TV, and your Satellite Dish. The First Time Installation will tune in all available Freeview Channels, so you are ready to go straight away.

Built-in 1TB Hard Drive

Record 2 Channels at once with the Dual Satellite Tuners. With a built-in 1TB Hard Drive that stores up to 450 Recording Hours, that should cover even the longest of vacations.

Rear Panel
