

NEVE

Tilttable Mirror Light

The Neve Tilttable Mirror Light offers a sleek, modern solution for elevating bathroom interiors. Designed with clean lines and practical functionality, it features colour temperature adjustability, via a dip switch, so you can tailor the ambience to your preference. With an IP44 rating, Neve is suitable for bathroom installations. The adjustable light arm allows you to direct illumination even after installation, adding flexibility to its design. Crafted from durable aluminium, Neve combines style, strength, and functionality—perfect for contemporary spaces.
