Nesco ITEST Portable Appliance Tester
Test N Print Labels

ITESTRIBBON

Carbon ribbon for use with iTEST thermal transfer printers.

Use with iTest tags :
ITESTLABELW

Optional UV resistant ribbon available upon request.

ITESTLABELW

Plain white tag labels for use with iTEST thermal transfer printer.

Use with iTest carbon ribbon :
ITESTRIBBON

Optional UV resistant labels available upon request.

ITESTLAM500

Clear laminate overlays to cover and protect tag labels.

This clear layer film protects the tag underneath from excessive abrasion and also physically strengthens the tag such as on extension cords and cabling.

For use on all iTest Tag labels.
