UTILITY KNIVES

Klein Tools provides a wide range of knives and other cutting tools for professional applications across all trades. This line of Klein Tools Utility Knives contains the knives you would design for yourself if you could. **Rugged, heavy-duty and durable,** you can feel secure and in control with the solid weight of a Klein utility knife in your hand.

AUTO-LOADING

FOLDING RETRACTABLE UTILITY KNIFE

(Previously released 2012)

44130

- High quality, triple ground blades stay sharp longer.
- Rubber grips on handle for improved control and comfort.
- Auto-loading blade feature for faster and safer blade changes.
- Internal blade storage includes and holds 3 blades.

CAMO

ASSISTED OPEN FOLDING UTILITY KNIFE

REALTREE Xtra

44135

- Realtree Xtra® Camo design handle with rubber grip and TPR overmold looks good in the field and on the job site.
- Spring-assisted opening with dual thumb knob for right- or left-handed use.
- Blade locks when in closed position.

FOLDING

UTILITY KNIFE

(Previously released 2012)

44131

- Contains a wire stripping notch.
- High quality, triple ground blades stay sharp longer.
- Rubber grips on handle for improved control and comfort.
- Push button to easily open and close.
- The bright orange handle color makes this knife easy to find in a tool bag or pouch.

KLEIN KURVE®

RETRACTABLE UTILITY KNIFE

(Previously released 2012)

44133

- Now with a wire-stripping notch.
- High quality, triple ground blades stay sharp longer.
- Rubber grips on handle for improved control and comfort.
- Designed for improved cutting ability.
- Internal blade storage includes and holds 6 blades.

SELF-RETRACTING

UTILITY KNIFE

- Knife incorporates a wire-stripping notch.
- Safety yellow handle for greater visibility.
- Blade removal/insertion without disassembly.

44136

Blade retracts fully into housing when cut is complete.
