Lineman's Pliers, Bolt Thread-Holding

These Lineman's Side-Cutting pliers feature a hinge opening to hold and clean 5/8" (16 mm) pole line and hardware bolts or threaded rods. Cutting knives are induction hardened for long life. The 2000 series blades are designed for heavy-duty cutting of ACSR, screws, nails, and most hardened wire. The high-leverage design provides 46-Percent greater cutting power than other plier designs. Exclusive handle tempering absorbs the snap when cutting wire. Pick up these Klein's and feel the difference.

Specifications

Type:	Side Cutting Pliers	**Application:**	Holds 5/8" (1.6 cm) Pole Line and Hardware Bolts, Threaded Rods; Cuts ACSR, Screws, Nails, and Most Hardened Wire
Overall Length:	9.34" (23.7 cm)	**Overall Height:**	0.75" (1.9 cm)
