PRODUCTS DATA SHEET

Notice for use

Remove oil, water and foreign matter from tape surface.

Firmly adhere to substrates peel off the release liner.

Apply tape after correcting large spatial gaps between the foundations.

Precautions

- Keep at room of normal temperature/humidity without exposed to direct sunlight.
- Do not suddenly apply the brakes when applying except when absolutely necessary.
Doing so could cause film to become detached at the edges.
- Be sure to remove oil and grease from the substrate before applying the film.
Failure to do so could result in contamination of the substrate.
- In the case of harsh processing conditions, be sure to conduct test before attempting to use.
