

# Supreme AIRJET

Refined Acoustics and Superior Features  
with HEPA Filtered Air

## Supreme AIRJET

### Powerful Energy Efficient Hand Dryer

- **Hygienic Features**

HEPA filter captures 99.97% of pollutants. Antimicrobial technology protects the dryer by inhibiting the growth of bacteria, mold and fungus.

- **Energy Efficient**

Optimised technology uses only 950W of power.

- **Refined Acoustics**

Quieter sound level reduces volume for adjacent work areas or sensitive spaces.

- **More Flexible**

Sound control adjusts between three mode settings to accommodate sensitive spaces.

- **Extended Life**

High-performance motor.

## Supreme AIRJET

The Supreme AIRJET offers a first-hand drying experience with a solution that delivers it all in one, leading the way in sanitation with hygienic technologies, efficiency and sound quality.

The high speed, HEPA filtered AIRJET will dry hands in as little as 12 seconds and offers advanced settings for sound control adjustment within sensitive areas.

The Supreme AIRJET delivers  
HEPA filtered air
