

TECHNICAL DATA SHEET

Stanilite®

Economy Spitfire® LED recessed non-maintained

Range

Economy range

Product group

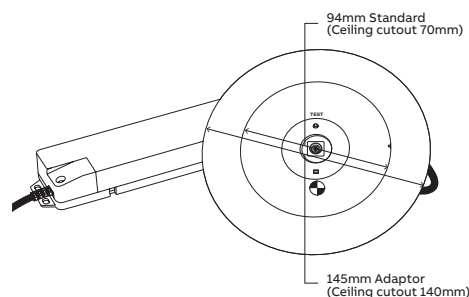

Spitfire LED

Features

- Superior photometric classification
- LED technology 100,000 hours plus lamp life
- Low power consumption and LED light source for reduced operation and maintenance costs
- High temperature rated Lithium iron phosphate battery
- Spring fixing design allows for different ceiling thickness (1mm-20mm)
- White adaptors included to convert standard 94mm lamp head to 145mm diameter
- Non-maintained operation
- Ingress protection IP20
- Insulation class II
- SAA tested and approved

Catalogue no.	Description
Standard products	
ECOSPITFIRE	Economy Spitfire LED recessed
Spare parts	
03-01226	Battery LiFePO4 6.4V 1.5Ah

Dimensions		
	Lamp head	Ceiling cutout
	94mm standard	70mm
	145mm adaptor	140mm
Weight		
	Model	Weight
	Standard	1.0kg
Construction		
	Part	Construction
	Lamp head	White polycarbonate

Light source			
	Model	Light source	
	Standard	3W	
Power consumption			
	Model	Power consumption	
	Standard	1.0W average
