Blade Eco Exit Light

The Blade ECO Exit Sign is the perfect combination of sleek design and safety, featuring a high-performance, longer-lasting Lithium Iron Phosphate (LiFePO4) battery. With its modern architectural aesthetic, it is stylish and visually pleasing, making it the ideal choice for commercial offices, retail stores, museums, apartments, and any site requiring a premium exit sign solution. Designed to fit seamlessly into any commercial environment, the Blade ECO provides a reliable safety solution without compromising on style.

- A stunning, modern design designed to blend seamlessly into high-end commercial interiors and architectural spaces.
- Equipped with longer-lasting Lithium Iron Phosphate technology for superior reliability and extended service design life.
- Includes pictograms plus surface, wall, and recessed mounting brackets in one box for a quick and effortless installation.
