Technical Data Sheet

P Series Light Duty Strut Pipe Clamp

Product Description:

The P Series Light Duty Strut Pipe Clamp is designed to support piping systems.

Features:

- Nut & Bolt is supplied
- Box Quantity: 100
- When P Series Pipe Clamps are restraining pipework subject to vibration the use of P2600 Uni-Cushion is recommended
- If the P Series Pipe Clamp & Unistrut Channel are dissimilar metals from the pipe, the use of P2600 Uni-Cushion is recommended.

Standards:

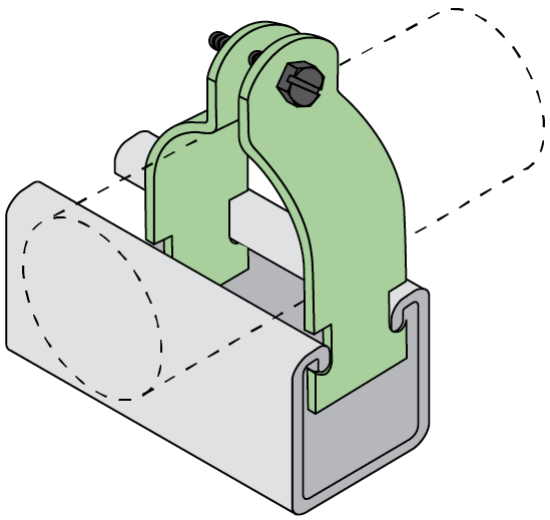

- Hot Dip Galvanised (HG) to AS/NZS 4680, ISO1461
- 316 Stainless Steel (SS) to ASTM A480/A480M

Finishes:

- Hot Dip Galvanised (HG)
- Stainless Steel (SS)

Applications:

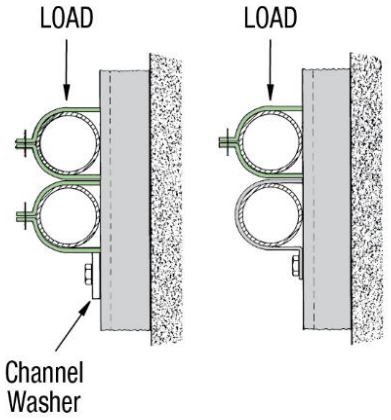

- Renewables
- Infrastructure
- Commercial Buildings
- Data Centres
- Rail
- Construction
- Electrical
- HVAC
- Mining
- Oil & Gas

Note: Before using Atkore products, it's essential to consult the manufacturer's specifications and guidelines to ensure proper installation and performance in your specific application.

Technical Data Sheet

Slip & Pull Out Loads
